

30th Annual PCC Mission to DC!

Saturday February 4 through Tuesday February 7, 2023

For any freight forwarder or customs broker member of one of the 5 local associations of the
PCC - Pacific Coast Council of Customs Brokers and Freight Forwarders

If there was ever a time for brokers and forwarders to come to DC, it's this spring!

- China tariffs – on again – off again
- e-commerce - Section 321, role of the broker
- USMCA – Next steps
- Export documentation penalties – change is coming
- Meet the FMC Commissioners
- Action on Demurrage - Detention
- US-EU tariff tussle
- CBP leadership changes
- A Day on The Hill

What the Mission does for you. The PCC Mission means customs brokers and freight forwarders on the Pacific Coast can interact directly with government officials and Congress to hear first-hand what is really going on in DC, without the filter of cable news 'talking heads'. Many brokers and forwarders say that the PCC Mission are three of the most worthwhile and memorable days of the year. (Plus, the Mission is worth NCBFFA credits).
